4  
5 Plaintiff Motions that the Court issue a PRELIMINARY INJUNCTION barring KENNETH  
6 MEAD from further contacting friends, associates of thomas benson.

7 **I. INTRODUCTION**

8 Defendant in this case KENNETH MEAD is being sued for rights violations. However,  
9 MEAD continues to call contacts of thomas benson, asking them if benson is assisting  
10 them in a foreclosure. MEAD followed Marcianita Bork last night in an suv vehicle,  
11 pulled in front of her car blocking her from moving, and questioned her if she knew Perla  
12 Hernandez, who is the landlord for a house benson is renting. MEAD has gone to Clara  
13 Bernabe's house, and questioned her if benson is helping her with a mortgage issue.  
14 MEAD called Terisita Tamayo on the phone and asked her if benson was helping her  
15 with a mortgage issue, she said no, he said he would come to her house and ask further  
16 questions. This greatly distressed Tamayo, as she has teen children in the house and  
17 would be very distressed if a POLICE OFFICER showed up at their house asking  
18 questions. MEAD contacted Cynthia Hall and left a message on her phone. MEAD is  
19 already named in this lawsuit for multiple counts of rights violations, Bivens 1983  
20 action, title 18, section 241,242 civil rights violations, and possibly a rico action. MEAD is  
21 engaging in a continuing ongoing pattern, practice, custom and tradition, this is a las  
22 vegas metro policy of malicious prosecution, harassment, denial of due process,  
23 stalking, and trying to conflate a case against benson. It is obvious that MEAD is trying  
24 to thwart a FEDERAL INVESTIGATION, has already used numerous agencies to  
25 invade benson's home with an invalid search warrant, broke down the front door, broke  
26 all the windows, pointed automatic rifles at the bensons, including a child. MEAD had  
27 already been noticed of the FEDERAL LAWSUIT against him, and signed an affidavit  
28 for a search warrant. This warrant is void, everything seized is fruit of the poison tree.  
MEAD is using his color of law to commit oppressions. MEAD is following anyone who  
goes to benson, hernandez's house, and harassing them. MEAD continues to attack

1 benson because he is not a U.S.CITIZEN, U.S. RESIDENT, 14<sup>TH</sup> AMENDMENT  
2 CITIZEN, but is a citizen of one of the several states of the union. Once again, benson  
3 challenges the subject matter jurisdiction and personem jurisdiction of THE LAS VEGAS  
4 METROPOLITAN POLICE DEPARTMENT, a corporation. RUNDLE VS DELEWARE, a  
5 supreme court decision says a corporation cannot sue or CONTEND with a living man. I  
6 am a living man, as indicated by the affidavit of nationality submitted as an exhibit in this  
7 lawsuit.

8 There is a likelihood of success on the merits of Plaintiff's case.

## 9 CONCLUSION

10 Until this controversy is resolved, Denial of PERMANENT INJUNCTION will result in  
11 irreparable harm, to wit, the depravation of Plaintiff's legally protected rights and all the  
12 trauma that goes with it, including damage to Plaintiff's relationships, reputation within  
13 the community.

14  
15 Granting the PERMANENT INJUNCTION will not result in even greater harm to the  
16 nonmoving party.

## 17 PRAYER FOR INJUNCTIVE RELIEF

18 Wherefore, Plaintiff's motion having satisfied the requisite elements, Plaintiff  
19 Motions this Court grant a PERMANENT INJUNCTION enjoining the any party from  
20 contacting any more of benson's friends, associates until a decision has been made by  
21 this court.

22  
23 Respectfully submitted: This July 15, 2016.
